Robert Chouteau and wife, on Tuesday, conveyed their residence on Broadway, for \$3,000, to Mrs. J. A. Southerd.

House and lot of Belle Bancroft, on Long Lane, for \$1,015, to Frank Johnson, for another person.

Admitted the Facts.

Newspaper editors have to be very careful in opening their columns for statements. But aware that the Dr. Miles Medical Co. are responsible, we make room for the following testimonial from R. McDougall, Auburn, Ind., who for two years noticed a stoppage or skipping of the pulse, his left side got so tender he could not lie on it, his heart fluttered, he was alarmed, went to different doctors, found no relief, but one bottle of Dr. Miles' New Heart Cure cured him. The elegant book, "New and Startling Facts," free at J. W. Gayle's. It tells all about heart and nervous diseases and many wonderful cures. 3

A record of uninterrupted cures for nearly half a century has convinced sensible people that Dr. Bull's Cough Syrup is the best in the market. Why try new things when you know that you have what you need? It is infallible.

King's Royal Germateur.

Pre-eminently the medicine of the century. Its phenomenal success as a seller and favorite with the people is the acknowledged wonder of the medicine world. Based upon the Germ theory of Diseases, it is unique, modern, and at once popular, commanding itself as a necessary household remedy. It advertises best by its use. Specific for all Catarrhal diseases, a Nerve Tonic and Blood Purifier. It is without doubt the most reliable germ destroyer in existence, and to the extent that the germ theory is correct, King's Royal Germateur is the remedy. It is no accident but is the result of fifteen years study of medical genius. For sale by Chapman & Williams. 19

The United States Court.

In the United States Court this week the case of H. H. Quire, of this county, charged with sending an obscene letter through the mail, was dismissed, there being no proof found to sustain the charge.

The case of Charles Lee, adm'r of John Wiley, vs. Chesapeake & Ohio Railroad, for \$25,000 damages for the death of Wiley, while crossing the railroad track in Carter county, returned a verdict for the defendant.

The grand jury did not have the case against Frankfort and Franklin

county for the failure to raise the St. Clair street bridge, in compliance with the orders of the Secretary of War. District Attorney Jolly stated that he had too much business on hand to prepare the necessary papers, and the case will therefore pass over to the next term of the court.

The term closed Tuesday and Judge Barr and all the rest of the court officials returned to Louisville.

Unsolicited.

The following testimonial came to us: Kenyon & Thomas Co., Adams, N. Y.: Gentlemen—For the past two years I have suffered terribly with what doctors call eczema. During this time I have consulted several physicians and used a number of well-known remedies but could get no relief, until finally I was urged to give your remedies a trial. I cannot say enough in praise of them. At present I am as well as I ever was in my life and owe my sincere thanks to you for Dr. Hale's Household Ointment and Tea. Any one doubting the sincerity of this testimonial will confer a favor by addressing, very truly yours, N. J. McNABB, Leominster, Mass.

These remedies are for sale at 25c. and 50c at P. H. CARPENTER'S drug store.

The Old Original Remedy.

Sick people should not be deceived by pretenders who talk about "Microbi," "germs," "baccilli," &c., to sell their preparations, thus preventing people from buying the original tested medicine. "Radam's Microbe Killer" is what you need. It is now, and for years has been, making more cures than all other remedies combined. Read their advertisement in this paper. Don't be deceived.
